

Friday 16th May 2025

Dear parents/carers,

Congratulations to Year 6

We are incredibly proud of our Year 6 pupils for completing their end of Key Stage 2 statutory assessments this week! Throughout, they demonstrated outstanding focus, resilience, and determination.

Each and every one of them approached the tests with a conscientious attitude and a strong desire to do their very best. Your hard work and positive mindset have truly shone through—well done, Year 6!

Collective Worship Take Home

In Collective Worship this week, we have been learning about the story of three teenagers from Indore, India – Dhruv Chaudhary, Mithran Ladhania and Mridul Jain- who have created a salt-powered fridge. Their goal is to support hospitals in rural areas around the world that lack access to electricity. Their invention, called the Thermavault, was submitted to The Earth Prize, a global competition which aims to inspire young people to solve world-wide problems.

Things you could talk about at home:

- * Share your thoughts on the new fridge invention. Who do you believe will benefit most from it?
- * Make a list of everyday items at home. Which make your life easier?
- * Can you think of an item you use that could be improved? How?

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

Class 1 – Josiah Porterfield
Class 2 – Milo Underwood
Class 3 – Georgia Whelband
Class 4 – Imogen Dyer

Frisby School Values Certificates

This half term's school value is 'Taking Responsibility'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1 – Anna has taken great responsibility for her learning this week. During choosing time she has been busy at lots of different activities and working well with others. In Phonics she has been star sitting and showing everyone that she is ready to learn. Well done, Anna!

Class 2 - It was lovely to hear that Leo has been talking about his learning at home. This shows that Leo is listening hard in class and taking responsibility to improve his understanding and learning, well done Leo. I'm super proud of you!

Class 3 - You have really impressed me with how hard you have worked on your handwriting target. You've shown lots of responsibility in aiming for high presentation expectations – you now consistently write on the lines in all subjects, are doing joined cursive writing and carefully underlining your date and learning intention. You should be very proud with how your books now look, keep it up and keep aiming high because you can do anything if you put your mind to it! Well done, Zackary!

Class 4 – Harmony has shown incredible dedication and resilience this week while tackling her SATs. Despite finding tests challenging, she has persevered with determination, kept a positive attitude, and given her absolute best. It has been truly inspiring to witness, and she should be immensely proud of herself for overcoming this hurdle.

IMPORTANT DATES

Tuesday 20th May – Year 3 Pupil Charter sporting event at Belgrave St Peters

Friday 23rd May – Friends of Frisby PTA Break the Rules Day

Friday 23rd May – School closes for half term.

Monday 2nd June – School reopens
