PRIMARY SCHOOL**

Frisby Friday Flyer

Friday 26th September 2025

Dear parents/carers,

We have recently received a concern from a local resident regarding car engines being left running for extended periods during drop-off and pick-up times outside the school.

We kindly ask that, when waiting in your vehicle, you switch off your engine to help reduce noise and air pollution in the surrounding area. This small action makes a big difference to our neighbours and contributes to a healthier environment for our children.

Thank you for your continued support and cooperation.

Art and Spirituality Day

Last Friday, we received a visit from Lat Blaylock, editor of RE Today magazine, for an 'Art and Spirituality Day'. At Frisby, we define spirituality as '...helping pupils and staff to develop their understanding of their place in the world and who they are.' Put another way, it is about developing an appreciation of our own uniqueness and value.

Over the course of the day, pupils took part in a creative and meaningful exploration of *courageous advocacy* - what it means to be "brave enough to help others." Through storytelling and art, children across the school expressed their ideas in powerful and imaginative ways: our KS2 children designed symbolic shields representing bravery and compassion whilst our children from Class 1 and Class 2 contributed to a beautiful "Tree of Hope," sharing their dreams through drawings and writing.

We're delighted to share that the children's creations will be on display at St Thomas Church as part of this weekend's Art Exhibition. Families are warmly encouraged to attend and enjoy the children's inspiring work alongside other community contributions.

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

- Class 1 – Evie Smith
- Class 2 – Elijah Williams
- Class 3 – Archie Wilson
- Class 4 – Thierry Underwood

Year 3 Pupil Charter Sporting Event

On Tuesday, we welcomed a group of Year 3 pupils from other schools within the trust to take part in the Pupil Charter Sporting Event. They participated in a range of sporting challenges – from running and tri-golf to beanbags throws and football. It was clear to see from the time that I spent with the children how much fun was had. Thank you to Mr Plumb and Mr Wright for organising everything so that the event ran so smoothly!

Frisby School Values Certificates

This half term's school value is 'Being Aspirational'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1- Ivy has been a superstar in Class 1 this week. She has been an amazing friend to everyone and a role model at tidying up. Ivy has been working hard in Phonics and Maths and always happily joins in with all of our learning. Well done Ivy!

Class 2 - When Dexter found things a little bit tricky early on this week, I was super impressed by his determination not to give up. He aimed high and has improved his reading and writing. Well done, Dexter. You should be really proud of yourself.

Class 3 - I'm very proud of how incredibly hard you are working. Your presentation is always exceptional, you always listen to advice and ask for help when you're not sure, and are doing your utmost to make your work the best it can be. You're also being really considered with your homework by taking time to understand the questions. Be confident in yourself and what you know and you'll do amazing things!

Class 4 - Grace has demonstrated remarkable ambition this week through her dedicated approach to learning. She's made a real effort to enhance her listening skills, focus, and the presentation of her work. It's been wonderful to witness her growing maturity and her willingness to take ownership of her progress. Fantastic work, Grace—keep it up!

IMPORTANT DATES

CALLING ALL U12 GIRLS

We are looking to build our team further, so if you are in school year 5 & 6 – WE WANT YOU TO JOIN US!

No rugby experience needed – bring a positive attitude and get ready to learn new skills, make new friends and most importantly, have fun.

We train at Melton Mowbray RFC and Oakham RFC (alternate weeks) every Wednesday evening from 18:00 – 19:00

Feel free to come and 'TRY' one of our sessions – wear some old clothes and trainer (football/rugby boots if you have them) and don't forget a water bottle!

For more details, ask your parent or guardian to email: melkhamrugby@outlook.com or contact Chris Budd – 07799 906118
