Frisby Friday Flyer

Friday 30th January 2026

Dear parents/carers,

Collective Worship Take Home

In Collective Worship this week, we have been thinking about how the Football Association (FA) has published a review looking at behaviour in football across England. It wants to ensure football practice and matches are safe, fair, and enjoyable for everyone, including players, referees, and fans. The review encourages all involved in the sport to play their part in supporting and following values of positive behaviour.

Things you could talk about at home:

- When taking part in or watching sporting or competitive events, how have you shown respect to others - even when emotions were running high? Can you think of a time when strong feelings challenged your ability to be respectful?
- Do you think players and fans have the same responsibility to show respect? Why is respectful behaviour important for everyone involved, no matter their role?
- What do you think can happen when winning becomes more important than showing respect to others? How might this affect friendships, teams, or the way people feel?

Primary Cross-Country event at Ratcliffe College

On Saturday 24th January, children from across Melton, Belvoir and South Charnwood Schools gathered at Ratcliffe College for the annual Primary Cross-Country Event. With perfect weather conditions and fantastic sportsmanship on display, it was a brilliant morning of competition and fun.

A huge well done to all the children who proudly represented our school. We are incredibly proud of:

- Joseph Metcalfe, who ran an excellent race and finished 14th in the Year 5 competition - a fantastic achievement in a very competitive field!
- Violet Holmes, who brought great enthusiasm and energy as she took part in the KS1 Fun Run.
- And a very special mention goes to Valeria Barcelona-Dodge, who delivered an outstanding performance and came 1st in her race! What an amazing accomplishment - well done, Valeria!

Thank you to all families who came to support, and to the organisers for another wonderful event. We look forward to returning next year!

Parent webinars on county lines and criminal exploitation (Ivison Trust)

The Ivison Trust (formerly Pace) is a national charity working to keep children safe from exploitation by supporting parents, disrupting exploiters, and working in partnership with police and family services. Their work is grounded in a trauma-informed, family-centred approach.

During March 2026, the Ivison Trust is delivering a series of live webinars for parents and carers focused on county lines and criminal exploitation. The sessions help parents understand how exploitation happens, how children are groomed, what warning signs to look out for, and where to access advice and support. Each webinar includes local context, time for questions, and input from a parent with lived experience.

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

- Class 1 – Beatrice Harcsas
- Class 2 – Alice Nadolski
- Class 3 – Luca Dodd
- Class 4 – Thierry Underwood

Frisby School Values Certificates

This half term's school value is 'Showing Compassion'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1- Ollie has been an absolute superstar in Class 1 this week. He has been listening brilliantly and showing that he's ready to learn, and other teachers have commented on how focused he has been. On top of that, Ollie has shown wonderful compassion in PE, helping classmates who found the gymnastics activities a little tricky. I am very proud of you, Ollie. Well

done - keep up the fantastic work!

Class 2 – I am super proud of William this week. He has shown compassion to many of his classmates. He uses kind words when speaking to them and always make sure someone is ok if they feel sad. What a great friend you are William!

Class 3 - You were so warm and welcoming to a new pupil in our class. You had already made friends in the cloakroom before being their partner in class, and you've done such a fantastic job of helping with routines and expectations. You're such a kind-hearted member of the class and a true role model. Very well done, Rylee!

Class 4 – Florence has been showing wonderful compassion and kindness. During art sessions, you have helped others, encouraged them, and shared a positive attitude that makes our classroom a better place. We are really proud of how caring and supportive you are. Keep shining, Florence.
