

Friday 20th March 2026

Dear parents/carers,

Collective Worship Take Home

In Collective Worship this week, we have been thinking about how Pokémon is celebrating 30 years since it was first created. First released as a video game in 1996, it has since grown into TV shows, films, trading cards and apps enjoyed by millions of people around the world. Today, both children and adults continue to enjoy Pokémon in many ways.

Things you could talk about at home:

WONDER (Looking out at the world)

- How do hobbies, games, and shared activities help families and friends grow in community, just as Jesus taught us to live in fellowship with one another?

REFLECT (Looking inwards at ourselves)

- What are some things you personally find fun or life-giving, and how do they help you use the gifts God has given you?

DO (Responding through actions and choices)

- What choices can you make this week to enjoy hobbies or games in a way that builds others up and shows Christian love, kindness, and friendship?

Visit from Melton Mowbray Building Society

On Thursday, we were delighted to welcome James from Melton Mowbray Building Society, who delivered an engaging assembly on the themes of money, borrowing, and budgeting. The children thoroughly enjoyed the sessions, which were interactive, thought-provoking, and filled with real-life examples that helped them understand how money works in everyday life.

Introducing pupils to these ideas from an early age is incredibly important. Learning about financial responsibility helps children begin to make sense of the world around them and builds lifelong skills such as decision-making, delayed gratification, and careful planning. These lessons support our wider work in PSHE, where the Coram SCARF curriculum places a strong emphasis on helping children to develop independence, resilience, and the ability to make safe, informed choices.

We are grateful to Melton Mowbray Building Society for enriching our curriculum with such a valuable learning experience.

Class 1 Parent Workshop

This morning, Class 1 welcomed an enthusiastic team of helpers as parents joined their children for a wonderful junk-modelling workshop. Linked to the class's 'Kings and Queens' topic, families worked together to design and build some truly magnificent castles - complete with towers, drawbridges, and plenty of imaginative flair! The hall was filled with creativity, teamwork, and lots of proud smiles. We'd like to say a huge thank you to all the parents who came along and made the session such a memorable experience for our young castle designers.

Comic Relief

Today our school was bright with red as the children took part in Comic Relief! It was wonderful to see everyone joining in with such enthusiasm. A huge thank you to all our parents and carers for your support and generous donations. Your kindness helps make a real difference. Once we have counted the contributions, we will share the total amount raised in next week's newsletter. Thank you once again for helping our school community support a brilliant cause.

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

Class 1 – Evie Smith
Class 2 – Maia De Gaye
Class 3 – Darcie Dickinson
Class 4 – Florence Teece

Frisby School Values Certificates

This half term's school value is 'Being Respectful'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1- Dakota has been a very kind friend in the classroom this week showing our value of being respectful. She is very thoughtful and always remembers her manners. Well done, Dakota! Keep up the great work!

Class 2 – Joe is a calm and thoughtful member of our class. He listens carefully and treats others with fairness and understanding. He knows that

speaking to others kindly is important and demonstrates this when working in a small group. Well done, Joe.

Class 3 – You always use lovely manners with adults and your peers and even showed this during tests this week. You worked diligently through them, using all the time to check your answers, waited patiently if I was helping someone else, then asked nicely and talked through your thoughts and questions well. Very well done, Darcie, your respectful and hardworking manner has reflected in outstanding scores this week!

Class 4 - Charlie consistently demonstrates exceptional respect and kindness towards everyone he meets. He is always polite, thoughtful, and a positive role model for his classmates. During our planning session for next week's church service, Charlie showed remarkable maturity. He contributed fantastic ideas, listened carefully to others, and approached the task with real care and consideration.

IMPORTANT DATES

Tuesday 24th March – 3.30pm – 4.00pm – Class 2 Art Exhibition (parents /carers welcome)

Friday 27th March – 9.30am – Easter Service at St Thomas Church (parents/carers welcome) – parents of children in Class 3 are invited to stay for tea and cake following the service

Friday 27th March – School closes for Easter break

Monday 13th April – School reopens for Summer Term

Growing with hope; serving with compassion; transforming with humility.
